

Through the coursework provided by the DTL Master's Program, I have gained confidence in my ability to share knowledge with others. I have been selected as a presenter for the AAMLE (Arkansas Association of Middle Level Educators) as well as asked to conduct PD at both schools I have worked.

AAMLE Conference:

2015 – Google Apps for Education and Digital Story Telling

2014 – Google Apps for Education

2013 – Edmodo

Professional Development:

2015 - Google Forms, Digital Storytelling, Technology integration using various WEB 2.0

2014 - Google Apps for Education – 3 part intense series, Interactive (Online) Notebooks

Additionally I am part of the technology committee which is responsible for effective implementation of the district 1:1 initiative at our school.
